## New shopping centre proposed for Amberley and Hurunui District

### BRACKENFIELDS

Landor Developments Limited is committed to the shopping centre proposal bounded by Carters Road, Amberley Beach Road, and Pound Street.

Plans are now well advanced and a number of retailers have expressed strong interest in the new complex.

Hurunui District Council will be making recommendations and decisions on this proposal within the next few weeks.

This development will service many of the retail needs for not only the Amberley Ward but also the Hurunui District.

Currently a significant percentage of the income earned in the district is spent outside of the district. A surprisingly large number of people working in Amberley, commute to Amberley from outside of the region.

We believe this shopping complex is pivotal to the future balanced economic growth of this region.

We look forward to positive direction in the near future.

We welcome retail expressions of interest. Please contact our office and speak to one of our friendly team.
